Mr. Denney seconded by Mr. Draughon, made a motion to approve the minutes from the September 19, 2007 Board Meeting, the motion carried unanimously.

**APPOINTMENTS:**  
1:30 Lenore Epstein

Mr. Ormond reminded the Board that at the September 19, 2007 Board Meeting they had requested for Ms. Epstein to review R156-64 to determine if Relevant and Irrelevant Testing and Voice Stress, could be used for more than pre-employment testing.

Ms. Epstein had later determined that this should be determined by Division Policy.

**DISCUSSION ITEMS:**

Deception Detection Exam Questions

Mr. Ormond explained that the Division's testing vendor will be changing to PSI (PSI Services LLC), as of January 1, 2008. After a previous discussion with Mr. Pickup it was determined that since this profession has both a Law and Rules and Theory exam that PSI would combine the two exams. The Division anticipates having the exam available soon after January 1<sup>st</sup>. Mr. Pickup submitted some Law and Rules questions to be reviewed, he then requested adding some additional references to the exam; including the ? Code of ethics, and HEPA requirements.

It was determined to forward Mr. Pickup's suggested Law and Rules questions to PSI, and request a meeting with them at the next meeting in February to review the entire exam.
